Las modas vienen. Las modas van. El diseño puro perdura.

Artesanía sin rival, con refinadas y elegantes formas y las precisas curvaturas características de **d line**. El equipo de **d line** te lleva de vuelta a los orígenes – la clásica manilla que inspiró la serie **d line** hace 37 años.

Nuestro diseño minimalista de 14mm, una vez más combina a la perfección con los distintos ambientes del edificio, ofreciendo un tacto agradable a la vez que minimalismo a partes iguales. La reconocida calidad del acero inoxidable satinado.

Una experiencia retro.
