④ SALTO recommends use of the mortise lock that is recommended by the panic bar manufacturer. Some automatic locks can cause problems.
Only Wireless Models:
-Exit detection only with thru spindle.
-Locks with split hub, will cause an intrusion alarm each time the door is opened from inside.

⑤ SALTO no garantiza el correcto funcionamiento del ensamblaje, si no se utiliza la cerradura recomendada por el fabricante. Especialmente con cerraduras automáticas.
Sólo Modelos Wireless:
-Detección de salida sólo con cuadradillo pasante.
-Cerraduras con nueca partida, pueden causar una alarma de intrusión cuando la puerta sea abierta desde el interior.

All contents current at time of publication.
SALTO Systems S.L. reserves the right to change availability of any item in this catalog, its design, construction, and/or materials.
